REFLECTION: WORKING IN PARTNERSHIP

I dreamed I stood in a studio
And watched two sculptors there
The clay they used was a young child's mind
And they fashioned it with care.
One was a teacher, the tools he used
Were books and music and art;
One a parent with a guiding hand
And a gentle, loving heart.
Day after day the teacher toiled
With touch that was deft and sure

While the parent laboured by his side
And polished and smoothed it o'er.
And when at last their task was done,
They were proud of what they had wrought,
For the things they had moulded into the child
Could neither be sold nor bought
And each agreed he would have failed
If he had worked alone,
For behind the parent stood the school,
And behind the teacher, the home.

GOOD NEWS STORY

A message from a staff member from Sydney Trains re CBHS students who caught the train back from the city after Speech Night rehearsal:

I have some great feedback to pass on to your school. On Tuesday, 15th November in the afternoon students from CBHS boarded a train returning to Lewisham and one of my guards would like to commend the behaviour of this class of boys. Please pass on the good feedback and pass on a compliment to the teachers and students of CBHS at Lewisham. The boys boarded the train at 1.45 and were very well-behaved and quiet during the journey to Lewisham. They are a credit to the school.

With the guidance of Blessed Edmund Rice, may we continue to strive with strength to be of service to others. Live Jesus in our Hearts Forever.

Yours truly,

Br Paul Conn
Principal
